1. WHAT IS THE CURRENT LOCATION OF THE VESSEL?

16° 45' N 71° 55' W

2. IS THE TARGET VESSEL CARRYING NARCOTICS?

Not currently. Indications that nars
 were present ^{recently} & int [redacted] has transferred
 or released said nars at present time.

SG1A

3. Comments: This vessel has carried nars in
 the past, and recently. The contraband was w/i
 sealed, lidded boxes. These boxes are w/i large
 storage areas or compartments. These compartments
 are now filled with a dark, oily, putrid smelling
 liquid with a petes smell. Vessel may now
 be on a "fake-out" run; that is, carrying
 though with the pos perception that it
 is currently carrying. Impression is that
 vessel transferred contraband so to another
 vessel fairly recently.
